

BUILDING FOR SALE IN AUGUSTA DOWNTOWN HISTORIC DISTRICT

307 JAMES BROWN BOULEVARD
AUGUSTA, GEORGIA

\$59,900

307 James Brown Boulevard is a Second Empire style commercial town house built c. 1884. The interior is suited for commercial use, single or multiple residential units. The building features three and a half stories with approximately 5,000 square feet. Flexible floor plans allow for modern amenities. This townhome is only moments away from Augusta's government, medical and educational centers. As a contributing resource in the Augusta Downtown Historic District, it is listed on the National Register of Historic Places. National Register listing makes the property eligible for all the programs of the National Register including available grant funds and tax incentives for certified rehabilitations. Historic Augusta holds a historic preservation easement on this property, protecting the building from insensitive alteration or demolition.
